

## ● ABOUT ME

I am a Bachelor student in the Ionian University in the island of Corfu studying Computer Science. My interests are in Web Developing, Marketing, Photography and Nature. I am a very cooperative person, as I have offered my help on two volunteering teams so far and many more for the university's assignments. I always ensure my work to be efficient, clean and aesthetically decent.

## ● VOLUNTEERING & PROJECTS

TEDx Ionian University  
(<http://>

## Nikos Karatzas

BSc Student
